# Danny Jiang

danny.jiang177@gmail.com - 0404366829  - https://danny-jiang-portfoliov3.vercel.app/

## Professional Summary

I am a passionate developer early in my career looking to launch my career as a software developer. I have experience in a start-up working on frontend technologies such as ReactJS, NextJS and React native. I have a strong foundation in web technologies HTML, CSS, NodeJs, SQL, Python and Javascript/Typescript. I am excited about learning new technologies and I am confident with my ability to learn and adapt quickly to new environments.

## Education

**University of Technology Sydney** — *Bachelor of Science in Games Development*

MARCH 2019 - JULY 2022

## Experience

**Software Engineer Intern— Kitched**                         Nov2024-Feb2025

- Worked on the website and improved the user experience with Nest.js and TailwindCSS.
- Worked on a new mobile application using react native framework expo with TailwindCSS.
- Worked with REST APIs to display content on the website and mobile app.
- Collaborated with senior engineers remotely on coding and problem-solving.
- Experience with version control systems like Git.

## Notable Projects

**Portfolio—**   https://danny-jiang-portfoliov3.vercel.app/

- Created portfolio website using Next.js, TailwindCSS, Typescript and Shadcn UI.
- Used Next.js and TailwindCSS for the frontend.
- Displayed projects through a json file utilising Nextjs dynamic routes.
- Used Vercel to deploy my website.

### Pitch'd

- Developed key pages including the homepage, about us, jobs, and applications, focusing on seamless user experience and accessibility.
- Utilised the React framework Next.js to build server-side rendered pages for improved performance and SEO .
- Implemented Tailwind CSS for rapid and responsive design, ensuring a consistent look and feel across all devices.
- Integrated AWS services, deploying static assets to S3 and using CloudFront as a content delivery network (CDN) to enhance performance and reduce latency.
- Applied TypeScript to enhance code quality and maintainability, providing strong typing and reducing runtime errors.

## Extracurricular Activities

### UTS TechSoc

- Active member and volunteered in many of the workshops and events.
